GRADUATE STUDY AND DEGREE CANDIDACY

Upon admission to graduate study at the college a student will be classified as a non-degree student. In this status he may elect any graduate course for which he has the necessary prerequisites and which he feels is relevant to his academic and professional needs. If a student should later decide that he would like to become a candidate for a graduate degree at Mansfield State College, he will be subject to further candidacy and degree requirements as stipulated by academic departments. A student must file for degree candidacy prior to the completion of 15 graduate credits at Mansfield.
